## Innate **s**ensor **P**latform

This platform supported by CLARA since 2008, provides **technological and scientific support to research groups interested in Innate Sensors (TLR, RLR, NLR)**.

Visit our webpage

[www.canceropoleclara.com/page.asp?page=463](http://www.canceropoleclara.com/page.asp?page=463)

to find **detailed and freely accessible information** on:

1. Tools and techniques validated for the study of innate sensors
2. Techniques currently under development on the platform

For **collaboration** and **questions** feel free to contact us at:

[tlr.platform@canceropole-clara.com](mailto:tlr.platform@canceropole-clara.com)
